

BERGHOF Products + Instruments

- **Location: Eningen, Germany**
- **Divisions**

Fluorkunststoff-Technik

Finished and semi-finished products
made of fluoropolymers (PTFE, TFM etc.)

Customer specific solutions

Etching baths made of PTFE

Labor-Technik

Pressure digestion systems

Laboratory microwaves

High pressure reactors

BERGHOF Products + Instruments

- **Basis: Fluoropolymers**

Outstanding chemical stability

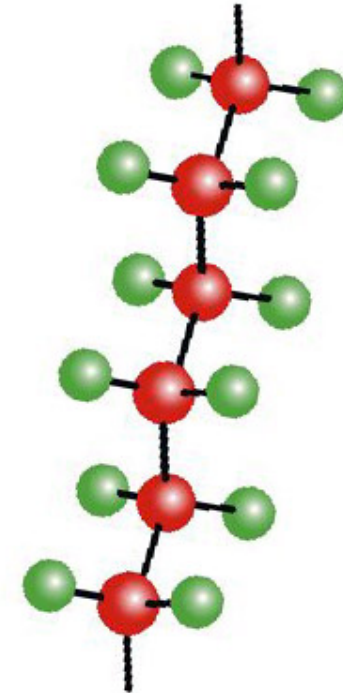

Service temperatures up to 260°C

Extremely anti-adhesive, smooth surfaces

Ultra-high purity

Superior electrical insulator

Hydro-phobic

PRODUCTS + INSTRUMENTS

ZUNDEL Holding Enterprise

BERGHOF Products + Instruments

- **Basis: Fluoropolymers**

PTFE

TFM-PTFE

PVDF

PFA

and compounds
